Introduction

The *Privacy Act* (the "Act") provides everyone has the right to access personal information held by government institutions and protection of that information against unauthorized use and disclosure. This annual report, covering the period from April 1, 2023, to the end of the financial year, March 31, 2024, is prepared and submitted by Canada Deposit Insurance Corporation ("CDIC") for tabling in Parliament in accordance with section 72 of the *Privacy Act*.

Mandate and Governance

CDIC was established in 1967 by the *Canada Deposit Insurance Corporation Act*. The objects of the Corporation are:

- a) to provide insurance against the loss of part or all of deposits;
- b) to promote and otherwise contribute to the stability of the financial system in Canada;
- to pursue the objects set out in paragraphs (a) and (b) for the benefit of persons having deposits with member institutions and in such manner as will minimize the exposure of the Corporation to loss; and
- d) to act as the resolution authority for its members.

CDIC is administered by a Board of Directors headed by the Chairperson, who is appointed by the Governor in Council. There are six *ex officio* Directors (the President and Chief Executive Officer of CDIC, the Governor of the Bank of Canada, the Deputy Minister of Finance, the Superintendent of Financial Institutions, a Deputy Superintendent of Financial Institutions or an officer of the Office of the Superintendent of Financial Institutions appointed by the Minister, and the Commissioner of the Financial Consumer Agency of Canada), as well as up to six private sector Directors appointed by the Governor in Council. For more information about CDIC, please refer to www.cdic.ca.

CDIC does not have any non-operational subsidiaries during this reporting period.

Organizational Structure/Administration of the Act

CDIC is a relatively small Crown corporation that typically receives very few requests for personal information in any given year. As a result, CDIC does not have a formalized Access to Information and Privacy ("ATIP") office with staff dedicated to ATIP matters on a full-time basis. Rather, the Chief Legal Officer, Corporate Secretary and Head, Policy Integration assumes the role of ATIP Coordinator and is supported in this capacity by the Director, Legal Services as primary contact. The Advisor, ATIP & Legal Services in conjunction with Senior Legal Counsel supports the Director, Legal Services in reviewing requests for access to information (collectively referred to as the "ATIP Office"). The Advisor, ATIP & Legal Services is responsible for processing requests and consultations under the Act and supporting all other ATIP responsibilities.

To ensure timely and accurate responses to ATIP requests, CDIC has one standby agreement with an external ATIP consultant who is available to assist as needed.

Page 2 of 4

CDIC did not enter into any service agreements for ATIP services for and from other government institutions as described under section 73.1 of the Act during the reporting period.

Delegation by Head of Corporation

The Delegation Order dated October 17, 2022 (the "2022 Delegation Order") designates the President & CEO, Chief Legal Officer, Corporate Secretary and Head, Policy Integration / Access to Information and Privacy Coordinator and Director, Legal Services to exercise certain powers and perform certain duties and functions of the Chairperson under the Act and is attached and forms part of this annual report (Tab B).

Performance 2023-2024: Statistical Report and Interpretation

CDIC's statistical report for fiscal year 2023-2024 is attached and forms part of this annual report (Tab C). Please see the five-year trend table below. During this reporting period, CDIC received a total of seven formal requests. This represents a 58% decrease when compared to the twelve requests received the previous year. In addition, the number of requests received over the reporting period is equal to the total number of requests that CDIC received in three reporting periods (2019-2020, 2020-2021 and 2021-2022). CDIC received a low of 1 formal request in 2019-2020 and a high of 12 formal requests in the last reporting period.

No. of Formal	1	2	4	12	7
Requests					
Received					
No. of Formal	1	2	4	12	7
Requests

In terms of requests received during this reporting period, four were received electronically, two by email and one by regular mail under the provisions of the Act. With respect to six formal requests, CDIC responded to the requesters within the 30 day legislative timeframe indicating that no records existed and with respect to one request, records were identified and released (all disclosed) with no extension claimed and within the 30 day legislative timeframe (i.e. 100% of the formal requests were responded to within the legislated timeframe). Five requests were responded to 1-15 days, and two requests were responded to 15-30 days.

With respect to the percentage of requests for which records were "all disclosed" or "disclosed in part", 14% were "all disclosed" and 0% were "disclosed in part". CDIC did not receive any complaints during the reporting period. As of March 31, 2024, there are no active requests and no active complaints.

CDIC received ten additional requests for personal information that were not formal requests as they were missing sufficiently specific information on the location of the personal information. CDIC requested further information from the requesters, but the requesters did not respond.

No requests were carried forward from the previous reporting period. No consultations were received.

Training and Awareness

In fiscal year 2023-2024, all 217 CDIC employees completed annual declarations of compliance with CDIC policies, including CDIC's Access to Information and Privacy Policy. During fiscal year 2023-2024, all current and new CDIC employees received training regarding their responsibilities under the Act. This training is provided on an annual basis to all employees and to new employees shortly after they join. Employees who have functional or delegated responsibility for the administration of the *Privacy Act* and *Privacy Regulations* are encouraged to attend additional in-depth training which is offered by external providers, including the Access to Information and Privacy Communities Development Office.

New/Revised Policies, Guidelines and Procedures

CDIC revised its privacy policy and breach plan during this reporting period. The revised policy and plan were both presented to all CDIC employees during the reporting period.

Initiatives and Projects to Improve Privacy

Technology Improvements: In this reporting period, CDIC updated its ATIP Online Request Service ("AORS") with version 4.0 which will introduce a secure two-way messaging channel between ATIP requesters and responding institutions.

Complaints, Investigations and Appeals

As at March 31, 2024, no complaint, investigation, or appeal was brought to the attention of CDIC in relation to the processing and outcome of privacy requests.

Material Privacy Breaches

During this reporting period covered by this report, no material privacy breaches occurred at CDIC.

Privacy Impact Assessments (PIA)

During the period covered by this report, CDIC completed one PIA, which was submitted to the Office of the Privacy Commissioner and the Treasury Board Secretariat. The PIA relates to the first phase of CDIC's payout modernization initiative which aims to enhance CDIC's ability to provide insured depositors with access to funds in the event of the resolution of a member institution. The first phase focused on enhancing internal CDIC functionality, building a higher degree of automation of data compliance and insurance determination processes in a secure cloud

Page 4 of 4

environment. For further information on the PIA, please refer to the <u>Summary of Payout Modernization</u> <u>Initiative – Privacy Impact Assessment – 2023 (cdic.ca)</u>

Disclosures under Paragraph 8(2)(m) of the Act

During this reporting period covered by this report, CDIC did not disclose personal information pursuant to paragraph 8(2)(m) of the Act.

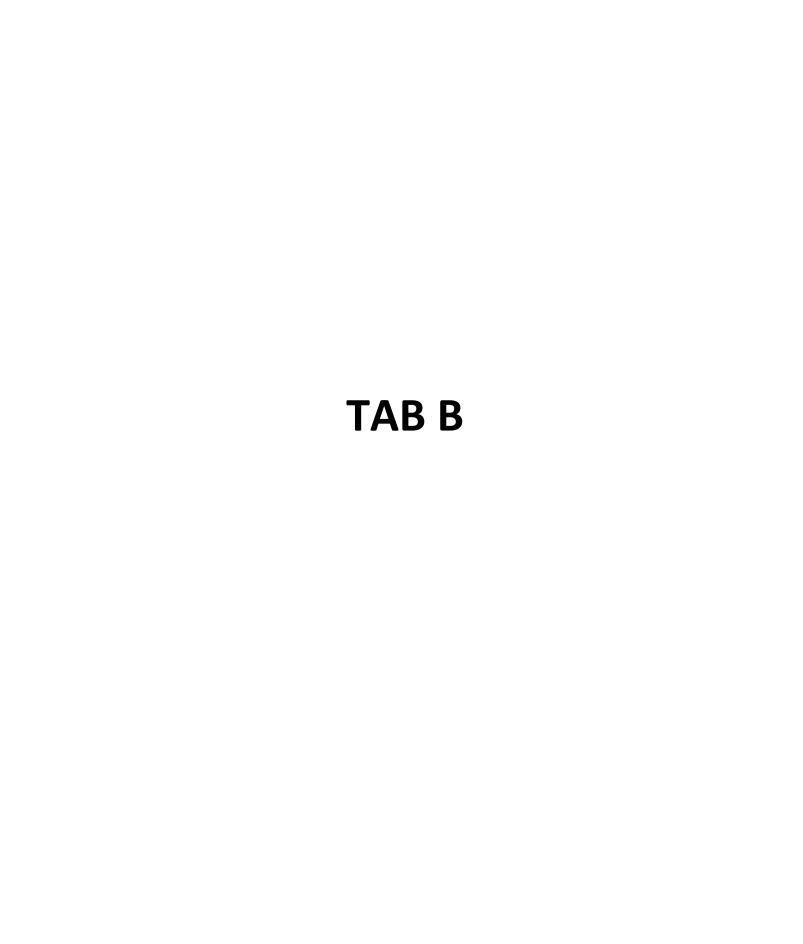

Monitoring Processing Time of Privacy Requests

Processing Time: CDIC has established procedures to monitor the time to process personal information requests by completing an internal tracking log spreadsheet, which is updated monthly to reflect key dates and activities for all requests, including deadlines, and automated reminders are set. The ATIP Coordinator oversees the ATIP program at CDIC, and receives reports from the Director, Legal Services as the status of any requests change.

Consultations: As CDIC is a small Crown corporation and given the low volume of requests as described above, this inherently serves to limit the need for inter-institutional consultations, of which there were none during the reporting period. Therefore, no monitoring was conducted during the reporting period.

Frequently Requested Information: Due to the nature of personal information requests and the moderate number of such requests received by CDIC there are limited, if any, requests for the same information and the information would not generally be made publicly available for privacy reasons.

Measures Supporting Right of Public Access: To further ensure the right of public access to personal information, the majority of CDIC's contracts, agreements and arrangements contain language regarding the potential disclosure of information pursuant to personal information requests (subject to any applicable exemptions under the Act).

Access to Information Act and Privacy Act Delegation Order
